# SUMMER CAMPS

and activities

*Summer is coming, and along with it are days to fill with fun and adventure! Find the perfect camp for your camper and secure their spot early. Whether you're looking for an outdoor experience, artistic outlet, or sport-centered theme, we have a camp for you.*

**Rec & Ed's** summer camps are designed to give your child an exciting and enriching summer experience under the supervision of trained and experienced leadership. Rec & Ed strives to make each and every summer fresh and appropriately challenging with enriching programs that include sports, creative arts, outdoor education, and much more. With interactive projects, activities, and learning, if there's an interest, there's a camp. Camps are in-person and run June 13–August 26, with half-day or full-day options.

**Camp Tall Tree** offers an overnight camp experience for children with autism as well as their neurotypical siblings. Designed for campers with autism ages 7-17 years old, Camp Tall Tree offers a 6-day camp session with programs that have been designed to meet a wide range of emotional, behavioral, and cognitive needs because they believe that summer camp is a valuable experience for everyone. Camp Tall Tree appreciates the diversity of background, ability, health needs, and home lives of campers, and their staff strives every day to make camp a safe environment in which campers can laugh, learn, and play. Camp Tall Tree believes that all kids stand taller when they build lasting friendships and feel like they belong to a community that sees them as more than the challenges they face.

For more than 60 years, the **Kumon Math and Reading** after-school academic enrichment program has helped children achieve success in over 50 countries. The primary goal of Kumon is to develop independent self-learners. Through the cultivation of study habits and study attitude, Kumon students develop confidence, focus, and work ethic, have reduced homework stress and test anxiety, and strengthen foundation before launching into learning and mastering concepts beyond grade levels. Lesson plans are individualized to address the needs and levels of each student. Visit the website and schedule an appointment for an orientation/placement test. Pre-K through high school.
